Job description

https://www.onepurplesquare.com

Welcome!
Sparkly Life Health Coaching, Inc., is looking to hire a variety of health providers.

Presently looking for LPCs, LMSWs/LCSWs, Psychologists, Registered Nurses for a telehealth opportunity in health education and coaching. Nutritionists, Dietitians, Physical therapists, and LMFTs.

Please be licensed in Delaware, Pennsylvania, New York, and or Massachusetts.
The position is remote, and you must only have an address for the state you are workin g in.
The company is based out of DE however we are searching for providers in other states as well!

As a benefit to joining our group, we can get your paneled with insurance companies! We accept both private pay and insurance utilizing clients.

Your qualifications in addition to the relevant state license, includes:
Being caring, compassionate, and motivated in order to be an accountability partner for those working on weight management, career, education, relationships including parenting, also those working on coping with mild depression and anxiety, especially for maternal and child health and new parenting for mothers and fathers. Some programming may include guiding clients through worksheets which will be provided. Some clients might participate in 12 week programs for health coaching.

If you have a health coaching certificate or are interested in earning one, that is a plus!
My company website, is www.sparklylifehealthcoaching.com
Starting pay would be $40 to $55 per hour up to $80 per hour for up to 5 to 20 hours a week as a 1099 contractor with the opportunity to become a W2 employee later.
Flexible Schedule, 2 to 4 hour shifts, Employee Assistance Program support.
Thank you, Pialee Roy, Ph.D, Owner, Sparkly Life Health Coaching Inc.
