Job description 2026

Welcome! We are hiring a very part time MD and or DNP for $100 per hour for 2 to 4 hours per week.

Sparkly Life Health Coaching, Inc., is looking to hire an MD or DNP that might be willing to work with us very part time up to 4 hours per week in order to supervise a board certified health coach. Please be licensed in DE, PA, MA, or NY.

The goal of the supervisor would be: to help review any RN notes or questions, health care plans for the clients, and to sign off on the CPT billing for weight management or other related chronic health conditions for individual sessions or a group. Later we might want to build out a diabetes or asthma management and education workgroup.

Possible hours may be Tuesday and Thursdays 5:15pm to 6:15pm or any other 2 hours per week that work for the MD and or DNP. Or 4 Saturdays per month possibly at 8:30am to 10:30am or a time that works well for both the health coach and MD and or DNP.

Pay rate: $100 per hour for 8 to 10 hours per month.

Please send a resume and outline in a cover letter or email message any specific work experience on weight management, diabetes, or asthma clients for chronic health conditions management. Please Write to info@sparklylifehealthcoaching.com

Please be licensed in Delaware, Pennsylvania, New York, and or Massachusetts.
The position is remote, and you must only have an address for the state you are workin g in.
The company is based out of DE however we are searching for providers in other states as well!

As a benefit to joining our group, we can get your paneled with insurance companies! We accept both private pay and insurance utilizing clients. Your qualifications in addition to the relevant state license, includes:

Being caring, compassionate, and motivated in order to be an accountability partner for those working on weight management, career, education, relationships including parenting, also those working on coping with mild depression and anxiety, especially for maternal and child health and new parenting for mothers and fathers. Some programming may include guiding clients through worksheets which will be provided. Some clients might participate in 12 week programs for health coaching and or be talking with our mental health providers for depression, anxiety, life transitions, or couples and family counseling.
